APPENDIX
SERVICE SCOPE & DETAILS

A. BOI INVESTMENT PROMOTION SERVICES

Details of Investment Promotion Services

PRIME provides services from assessing business suitability and project planning, preparing applications and clarifications to BOI, receiving promotion certificates, and post-promotion operations, aiming for clients to utilize privileges appropriately under relevant regulations.

Before Application

- Consult on regulations, business categories, and privileges
- Analyze preliminary qualifications and business suitability
- Advise on project structure and investment information
- Prepare and review promotion application and supporting documents

During Consideration

- Coordinate with Board of Investment office
- Prepare project information and clarifications
- Support and participate in BOI meetings/clarifications
- Monitor consideration results and obtain promotion certificate

After Promotion

- Amend project and promotion certificate
- Relocate or change project details
- Prepare for business operation
- Support machinery, raw material, and tax privileges under BOI

B. BOI & INVESTMENT PRIVILEGE SERVICES

Privilege Utilization and Post-Promotion Operations

Investment Privilege Support

- Advise on privilege utilization under promotion certificate and project conditions
- Support machinery and raw material operations under BOI privileges
- Review information and documents for corporate income tax exemption under BOI
- Monitor project conditions and related reporting

Project Changes & Compliance

- Amend production capacity, manufacturing process, or project details
- Add/reduce/change location or relocate business
- Prepare information for business operation under BOI conditions
- Coordinate and support Post-BOI compliance throughout project life

C. COMPANY ESTABLISHMENT & REGULATORY SERVICES

Company Establishment and Regulatory Operations

Company Setup:

- Coordinate company establishment and registration
- Advise on registered capital and project-related structure
- Support amendment of juristic person information and registration changes

Tax & Registration Coordination:

- Coordinate VAT registration and tax information related to business start
- Support document preparation and contact with relevant agencies
- Coordinate with tax/accounting specialists when outside PRIME's scope

Licenses & Regulatory Support:

- Coordinate licenses and registration related to business operations
- Support requirements for foreign investors
- Coordinate with DBD and relevant government agencies

D. CUSTOMS & DUTY PRIVILEGE SERVICES

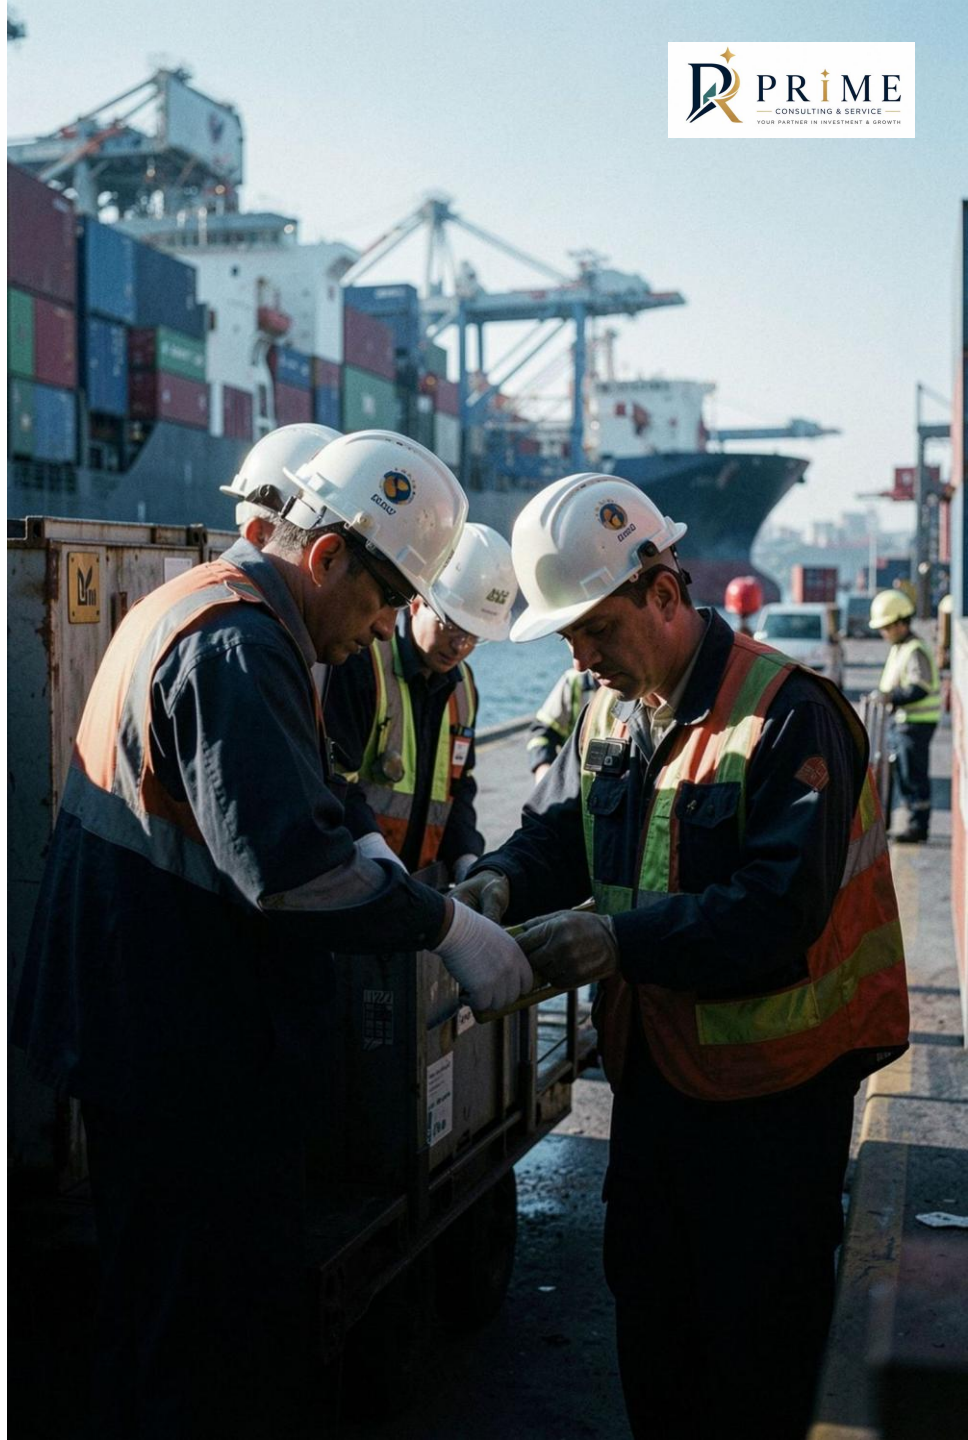

Customs and Tariff Privilege Services

Customs Advisory & Coordination:

- Advise on import and export procedures
- Advise on tariff privileges and refunds under relevant regulations
- Support operations under Section 29 and related customs privileges
- Verify completeness of information and supporting documents

Trade Privilege Support:

- Advise on special tariff privileges under FTA agreements
- Support document preparation for trade privilege utilization
- Coordinate with Customs Department and relevant agencies
- Service focuses on consulting and coordination, not customs litigation

E. FTA & CERTIFICATE OF ORIGIN SERVICES

FTA and Certificate of Origin Services

Certificate of Origin Support:

- Support exporter registration and related operations
- Advise on Rules of Origin
- Prepare and review Certificate of Origin documents
- Coordinate with Department of Foreign Trade and relevant agencies

Examples of FTA / CO Schemes:

- Form D - ASEAN / ATIGA
- Form E - ASEAN-China
- Form AK - ASEAN-Korea
- Form AJ - ASEAN-Japan
- Form AANZ - ASEAN-Australia-New Zealand
- Form AI - ASEAN-India
- Including other CO / FTA relevant to client's country and products

F. VISA, WORK PERMIT & EXPATRIATE SERVICES

Visa, Work Permit, and Foreign Personnel Services

Visa & Work Permit:

- Support Non-Immigrant B and related operations
- Apply for, renew, and amend work permits
- Renew/amend visa status as applicable
- Prepare and review documents for foreign executives and specialists

BOI Expatriate Coordination:

- Coordinate visa and work permit under BOI projects
- Support entry of executives, technicians, and specialists under related privileges
- Coordinate with Immigration Bureau, Department of Employment, and relevant agencies

G. GOVERNMENT COORDINATION SERVICES

Government Agency Coordination

Key Authorities:

- Board of Investment (BOI)
- Department of Business Development (DBD)
- Customs Department
- Revenue Department
- Department of Foreign Trade
- Department of Employment and Immigration Bureau

PRIME's Role:

- Serve as liaison between clients and government agencies
- Prepare and review information/documents before submission
- Monitor status and clarification issues
- Ensure continuous and compliant operations
- Coordinate external specialists when outside PRIME's scope
